## Insight Conducts IELTS Seminar

Insight Education Centre, a leading name in Foreign Education and Consultancy, invited British Council to conduct a seminar on IELTS, at its premises in Tilak Nagar. British Council visited Jaipur past week, to promote english proficiency programmes and struck major contracts with leading institutions to achieve these objectives. The chief guest on this occasion was the marketing manager- examination services, north India, Isha Gupta. While conducting the seminar, Isha enlightened the students on the intricacies of the various sections of the IELTS exam- reading, listening, writing and speaking. She imparted to the candidates last moment tips before they take the exam.

It is noteworthy that British Council conducts such seminars exclusively at Insight Education Centre, on the eve of the IELTS exam once every two months in Jaipur. Insight is the only British Council authorised registration and training centre in Jaipur and is voted among the top five institutes in the country. Not only is Kritika (Director) is the British Council certified Trainer for IELTS in Rajasthan but she has also enabled more than 600 students achieve success in IELTS; a feat that is unprecedented and incomparable in the city. IELTS is a mandatory qualifying exam for anyone who intends to seek entry into any foreign country such as Australia/UK/Europe and Canada, on either student or work visa, or to seek direct migration to any of these countries.

Presiding over the function, Saurabh Sharma, MD Insight, welcomed the guests and conducted a power point presentation on Foreign Admissions Consultancy Procedures- such as offer letters, financial documentation, visa processing. The seminar concluded with Isha presenting the latest editions of British Council Publications to Insight Education Centre. The annual management fest Abhyudaya, 2008 of Jaipuria Institute of Management, Jaipur concluded...
